

Egoyibo Okoro

Helping organisations build trusted privacy and AI governance programmes through senior interim leadership, fractional DPO services and strategic regulatory advisory.

Common-law qualified lawyer and IAPP Fellow of Information Privacy, with 10+ years leading privacy, data protection and AI governance programmes across aviation, payments, energy and technology.

HOW I CAN HELP

■ PRIVACY PROGRAMME & DPO LEADERSHIP DPIAs and breach response. Privacy by design embedded into products and contracts.	■ AI GOVERNANCE & EU AI ACT AI risk assessments, inventories and governance frameworks, built for the EU AI Act.
■ READINESS ASSESSMENTS & ISO AUDITS GDPR, EU AI Act and ISO 27001/27701 readiness assessments, gap analyses and audits.	■ COMPLIANCE MONITORING & ASSURANCE Risk-based monitoring programmes giving boards, auditors and regulators structured assurance.
■ COMMERCIAL CONTRACTS & DATA SHARING DPAs, SCCs, data-sharing arrangements and transfer mechanisms, negotiated directly into commercial terms.	■ REGULATORY CHANGE & EXECUTIVE ENABLEMENT Regulatory change management, privacy training and executive capability building.

INDUSTRIES

Aviation · Financial Services · Payments · Energy · Technology

CURRENTLY	Leading enterprise privacy, AI governance and regulatory change initiatives within a global aviation group, including AI risk assessments, compliance monitoring, an AI-enabled legal operations framework and executive advisory.
